

**British International School**  
of Ljubljana  
an Orbital Education School

# Parent Survey Analysis

Tuesday 9<sup>th</sup> February 2021

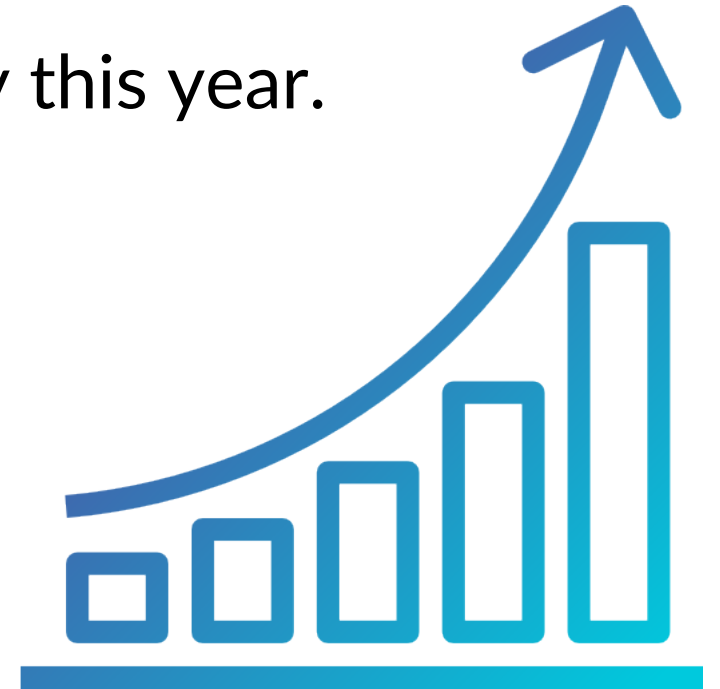

Purpose: To **share** the findings of the Parent Survey.

# Engagement

**66%** of our families have completed the survey this year.

*(107 responses)*

# Satisfaction

**72%** of parents would actively **recommend** the school to others.

*“Lots of opportunities for us as parents to contact teachers, and swift correspondence with the leadership is very reassuring.”*

*“Our children are happy and have evolved at BISL significantly in many aspects.”*

*“Diverse teaching programmes, multicultural and international environment where teachers are enthusiastic in teaching.”*

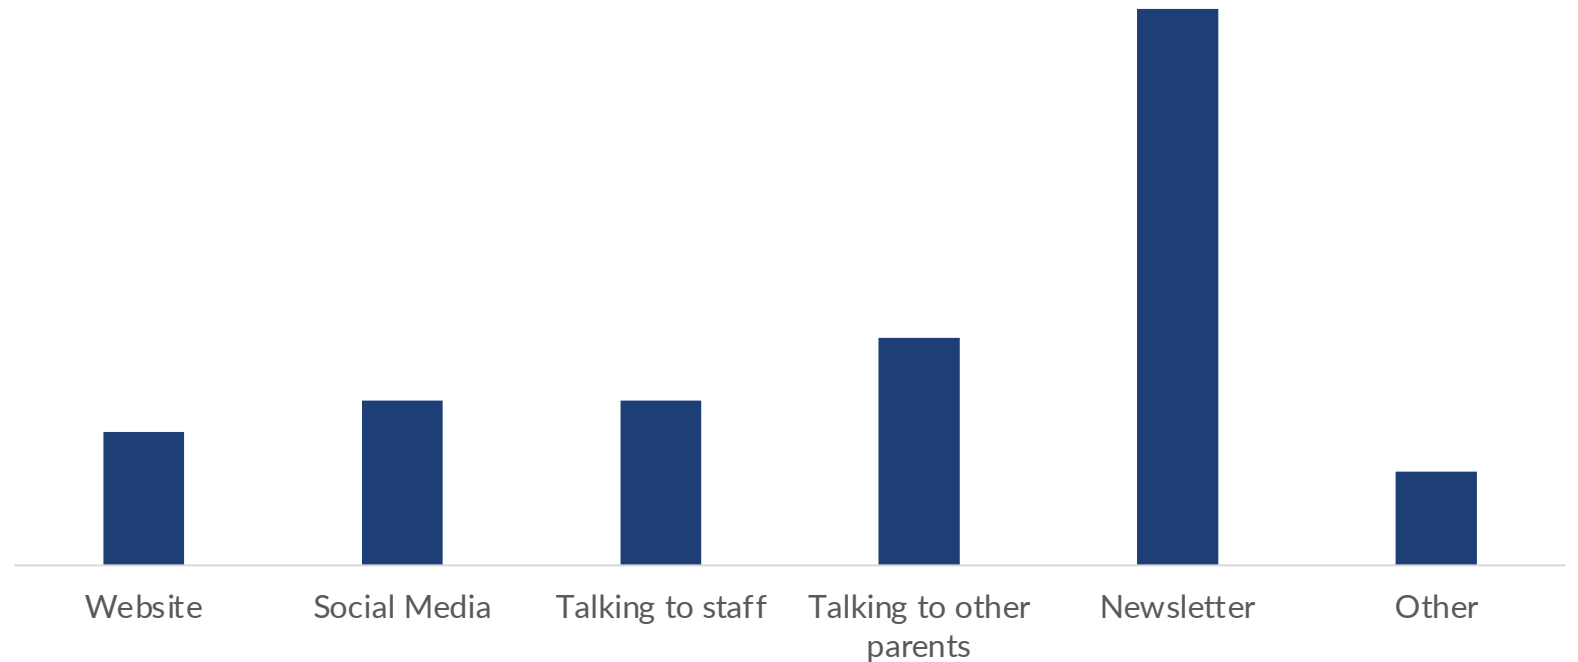

# Communication

**70%** of parents use the **Newsletter** to keep up to date with events and what's happening at school.

*(up from 30% last year)*

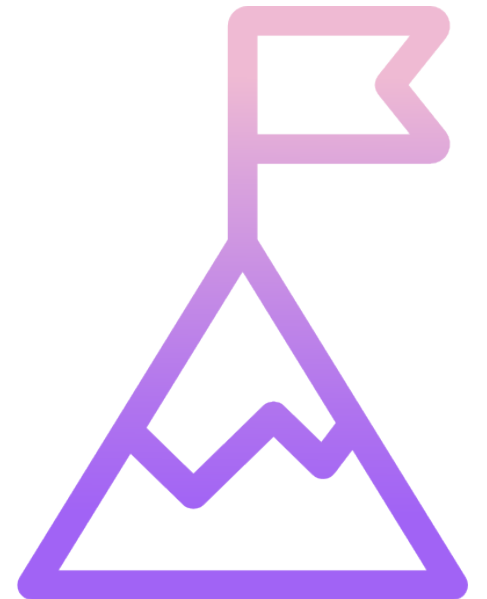

# Academic Achievements

The highest improvement area in this year's parent survey was the Academic Achievements of Students, with **65%** of parents rating this performance area as either **Good** or **Excellent**.

*(13% growth from last year)*

# Online Learning

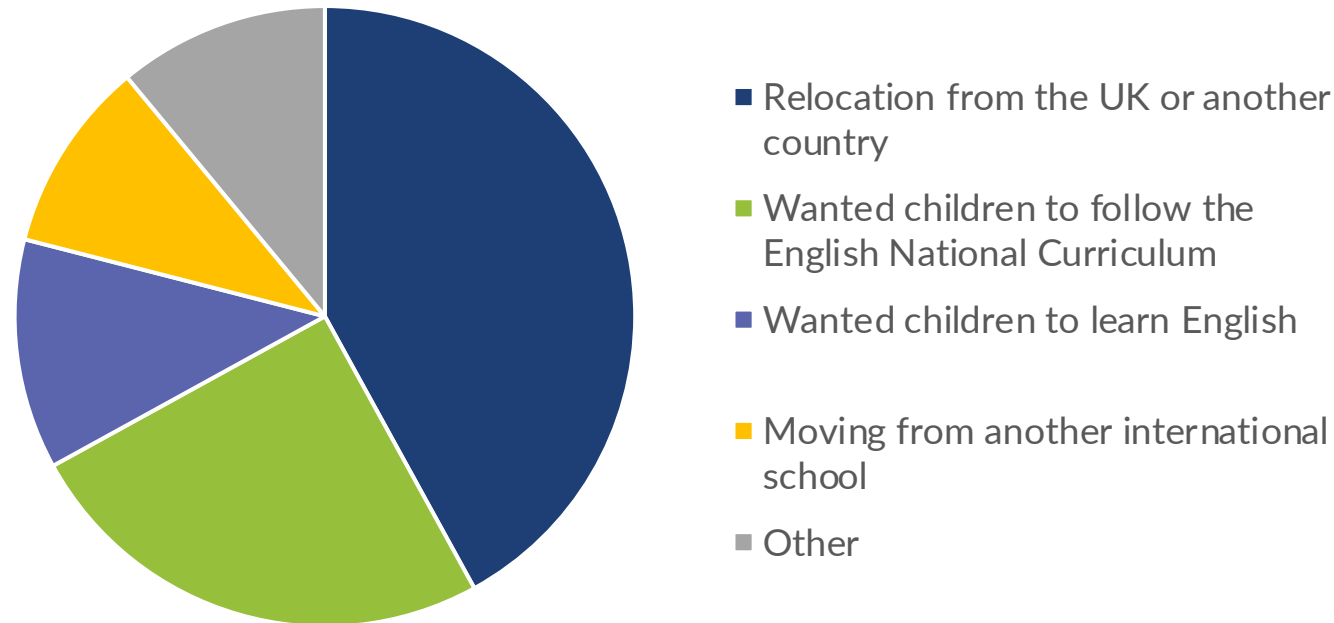

**80%** of parents rated “Access to Zoom lessons” and “Contact with your child’s class/form teacher” as either **Good** or **Excellent**.

## Your main reason for enrolling your children in a British International school:

1. Relocation
2. English National Curriculum
3. To learn English

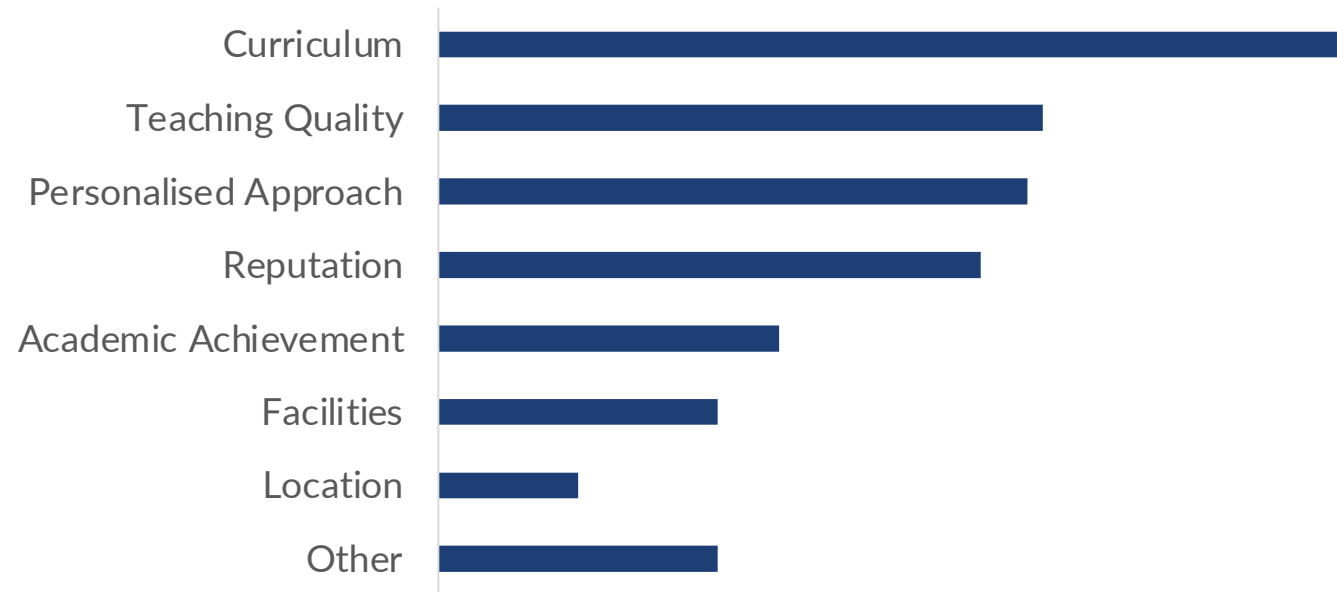

# Your main reason for selecting our school:

1. Curriculum

Curriculum Delivered

## What our parents said:

*“The Principal is always around, which is a good feeling.”*

*“The school was able to keep a very good academic level even in the trying times of the pandemic.”*

*“Positive learning vibes from teachers and students. Very personal and professional reception by the Principal.”*

*“Leadership is always keen to collect feedback and act upon it. Examination results are impressive.”*

*“Teachers are dedicated and offer the right balance of support and challenge for our child.”*

## What our parents said:

*“The communication with the class teachers and the Principal is excellent.”*

*“My child has grown and developed immensely since we joined BISL, for which I am very grateful.”*

*“The teachers are always prepared and highly motivated, even during the online learning period.”*

*“Opportunities to interact with teachers and leadership, like the Coffee Mornings are very informative and useful.”*

*“Teaching methods and teachers’ engagement are top notch.”*

# The areas that you feel our school needs to improve in:

---

1. After school activities
2. Facilities

Common points mentioned:

- *Playground/outdoor facilities*
- *Variety and duration of after school activities*

# Main Areas for Improvement commented on:

*Performance areas with the highest percentage of “Requires Improvement” rating*

Fees

Location

## What our parents said:

*“Teachers are extremely dedicated, they see each kid individually and give helpful feedback. They seem to really care about their students. All new experiences for us, all very much appreciated!”*

*“It’s a pity that all extra-curricular activities have ceased because of COVID.”*

*“Facilities are getting better, especially comparing to other schools. Pastoral care is good, atmosphere in school is still very nice, even with a higher number of students.”*

*“My child is motivated to go to school, which is down to teachers that motivate and support.”*

# Next Steps

- Upload to website
