EXCELLENCE · RESPECT · RESPONSIBILITY · INTEGRITY · COMPASSION

Welcome to Ljubljana

Ljubljana is beautiful, diverse and rich with endless opportunities for families to get involved in. It is a lively green city combining the charm of a small capital and the self-confidence of large European cities, there is truly something for everyone.

We know that relocating to a new country or city comes with its own set of challenges and we like to support our families during their settling in period, just like we do with our students.

We have compiled a useful list of businesses recommended by members of our community. We will continue to update the directory and add new companies. Should you have any questions or would like us to add your business to the list, please do not hesitate to contact us at admissions@britishschool.si.

“Being in Ljubljana makes me feel like I could believe in fairy tales again.”
