How to Download the Zoom Client

1. Start by going to zoom.us/download
2. Click the blue "Download" button under Zoom Client for Meetings to access the installer
3. Open the Zoom installer from your Downloads folder and follow the on-screen steps to set up your Zoom Client.

If joining via an iPad, download the Zoom app through the AppStore to join a meeting.

How to join a Class

Option 1: Join via meeting URL

- Open the email, newsletter, calendar invite, or other communication that contains a link to the prescheduled meeting and click the URL to join the Zoom Meeting.

Option 2: Join through desktop client using the Meeting ID.

- Open the Zoom desktop app.
- Click on the Home Button.
- Click Join and type in the provided Meeting ID and your name.

Option 3: Join using the Web client/browser.

- By default, users will now need to sign in to their Zoom account or create a Zoom account when joining a meeting with the Web client.
