English Language & Literacy	They will write their own instruction and communication texts.	They will study Sister for Sale and link to stories with similar settings, looking at family relationships.	They will study a variety of poetry and create their own poems.	They will study Beauty and the Beast and link to other traditional tales.	They will study playscripts and identify key features. Their class text will be Oh Gnome!	They will study Chocolate Planet, a fiction text about fantasy worlds.	They will learn to write information texts and explanation texts.
Phonics	Throughout the year they will continue to develop their understanding and knowledge.						
Numeracy	The students will learn about place value and addition and subtraction.	They will learn about multiplication, division and data.	They will learn about addition, subtraction and shape.	They will learn about place value and fractions.	They will learn about multiplication, division and time.	They will learn about money, addition and subtraction.	They will be reviewing mathematical areas from the year.

Academic Theme	Planning for Tomorrow Children will be encouraged to think about the resources that they use and where they come from.	The World around us Children will be learning about how we can look after our environment.	Better Together For this theme, we will focus on what makes a good friend and how we should treat one another.	The Working World We will have a focus on the school and wider community.	Opportunities for Everyone Children will continue to be encouraged to include other in their play, to share and take turns.	Keep it Green, Keep it Clean Children will again think about the environment and how we can look after it with a more in-depth focus.	Healthy Body, Healthy Mind Our focus will be around healthy eating and the importance of having an active lifestyle.
