## FIRST UP, THE GOSSIP OF THE DAY 🤫🗨️

Written by Fancy and Jade

In the gossip boxes of the different committees, we found some juicy info which was an eye opening experience for all of the delegates. We heard of 'French' Harry Potter and 'Canadian' Gru. Also lots of delegates seem to have a special interest for the delegate of Singapore immigration. 🥰

Also, everyone seems very excited for tonight's gala dinner! Girls are discussing outfits and we even had sneak peaks of people's outfit ideas. Many are speaking of wearing dresses, heels or co-ordinated sets. There are also rumours of a special "DJ" guest being invited from the British International School of Ljubljana to spice up the party with some songs...

## THE BEST DRESSED DELEGATES OF THE DAY!

This delegate for Animal testing went for a more original option with an off-shoulder dress. She also absolutely rocked the posing for the pictures and looks like she came straight out of a fashion magazine!

This delegate for AI in Warfare nailed the classics: suit, tie and shirt, but he didn't stop there. He thought to himself, how could I make my outfit even more special? And decided to add his own touch of personality with his fun silver dotted belt.

Finally, we have another delegate from the Animal Testing committee who looks stunning in her beautiful grey dress. The silver buttons also match perfectly with her choice of jewellery, and the sunlight could have been a paid actor for this dazzling photo.

## APPRECIATION FOR ALL OF THE STAFF 🙌💖

Lastly, we would like to thank all of the staff in the conference for giving us all this wonderful opportunity to not only challenge ourselves in different positions, but also meet and get to know other people from other schools around the world. This years MUN conference has also slowly come to an end, and the main people we are the most grateful for are the secretaries who has put their hard work and time to plan this conference in collaboration with different teachers, principals and marketing teams.
